## ABOUT ME

I am an Engineering Student from Mississauga, Ontario and I am very eager to learn new things every day, no matter how challenging. To add to that I have done many technological projects for school, competitions and my self-development. I always attempt to share the knowledge that I get with the people in my field or any friends from school.

## WORK EXPERIENCE

Canadian Tire Sales Associate

**Sept 2020 - Present**

In the 20+ months, I worked here, I have responded to customer inquiries, requests and concerns in a calm and timely manner while keeping a healthy relationship with all of my coworkers and superiors

*YMCA - Volunteer*

**Jan 2016 - March 2020**

Volunteering at the Reception desk, Swimming pool, and Taekwondo Dojang for 4 years allowed me to build and perfect my communication skills with a variety of different audiences.

## EDUCATION

*Toronto Metropolitan University (Formerly Ryerson)*

**Sept 2021 - April 2026**

I am currently enrolled in the Computer Engineering program and Completed my first year on the Dean's List.

*St. Pauls Catholic Secondary School (Mississauga)*

**Sept 2017 - June 2021**

During my time in high school, I obtained 2 diplomas; 1 for Ontario secondary school, and another for the International Baccalaureate Program.
